Child friendly Challenge 07

Help us Capture the Stories about Your Child Friendly Street and paint a picture of Child Friendly Australia! Send us stories and photos to publish on the website, and make sure you have your camera ready at your NCPW activity.

Child Friendly Champions

Through Child Friendly Australia NAPCAN is celebrating the many individuals, companies and communities who are making a positive difference to the lives of children and young people, by making their community child friendly. We want to acknowledge people who have made an **exemplary contribution** to the well-being of Australian kids through a **Children's Champion Award**. So if you know someone who has made an outstanding in this way please nominate them.

Over the next few weeks we will be reading through the nominations we have received and choosing Champions. We will then send out certificates to those selected and post their stories on our Child Friendly Australia website. In order to help us in our choice, please would you do the following:

1. Write us a short but detailed description of the contribution the nominated person has made.
2. If possible, and with the person's permission [HERE](#), send us a photo of them, so that we can post it on our website.

3. Send us full details of the person's name and address so that, if chosen, we can send them a certificate.

NCPW Partnerships

Already NAPCAN looks like doubling the number of organisations who have joined us in partnership this year to promote NCPW. Check them out [HERE](#). If your organisation would like to be a partner for NCPW 07 email us [HERE](#)
