### **Ten Ways to help make your street child friendly**

- Meet your neighbours: Say hello! Remember their names!
- Introduce your kids in your street: Make sure everyone's got friends to play with.
- Show kids you value them: Ask for their opinion, send the kids you know a birthday card, – or just a note to say "well done" to celebrate their achievements!
- Welcome newcomers: Make up a Welcome Pack with local schools, playgroups, child health centres, kids sporting clubs, music lessons, the closest all night chemist etc.
- Involve kids in the life of your street: Help them organise a child friendly activity.
- Care for your street: Hold a 'clean up your street' day.
- Exercise together: Organise a weekly walk.
- Get the kids in your street to map your neighbourhood: Ask them to identify the places where they don't feel safe. And do something about it!
- Watch out for kids: Drive slowly!
- Be generous with your neighbours: Share your time, Share your toys, Share your pets!
