

Children's Rights Activity - PLAY

Children and young people learn and grow when they can play in lots of different ways.

What are your favourite ways to play, relax and have fun? Do you like to do things with your family, by yourself, in a group or with friends? How do adults help you play, relax and have fun?

Draw a picture, write some words, make a collage or whatever else you can think of - it's up to you.

Created for Children's Week 2023 to support the theme based on Article 31 of the United Nations Convention on the Rights of the Child: Children have the right to relax and, play, and to join in a wide range of leisure activities.
