Thankyou to all members for your participation in the
NTPA meeting, 27 October 2021.

~

Thank you to our speakers:

Benita De Vincentiis - Menzies School of Health Research

Overview of the updated 'Story of Our Children Report 2021'

Tracy Adams - Kids Helpline

Overview of Kids Helpline, and data for the NT

Workshopping the Learnings

How do we support and encourage help-seeking for NT children and young people?

Genuine engagement

Purposefully seek out children and young people who may not readily 'come forward'

Skilled 'listening'

Information sharing between agencies

Facilitate increased access to devices

Connect with and work with Cultural Leaders

Use social media

Create access pathways

Increase flexible learning models

Form own 'Whatsapp' group to share info

Trusted people and services (eg. coaches, schools, police etc) - know how to respond when children and young people seek help

TV and radio community

Promote in venues where people go, eg. shopping centres

Promote eSafety

Workshopping the Learnings

How do we get children's stories and voices into policy-making at NT and national level?

Deliberate engagement

Reference real experiences

Sport Integrity surveys

Collective responses to enquiries

Youth roundtable

NT Children's Commissioner

Existing information and case studies

Technology

Discussion

1. Sharing Prevention messages
2. How do we involve other Stakeholders?
3. Potential Spokespeople

Planning

Members agreed on:

1. Clarify what we want to say about prevention
- and how to say it
2. More time is needed to hear from and engage with speakers, and workshop ideas and issues
